All information provided is correct as of December 2010. In case of possible changes on the side of the service providers, we reserve the right to make changes to the price and services provided at any time prior to travel, even at short notice. Our prices, dependent on the hotel, are based on Euros, US Dollars and Roubles. We reserve the right to make price changes in the event of exchange rate fluctuations.

The dispatch of documents is carried out exclusively at the risk of the customer. You can cancel or change your booking at any time. Rebookings are carried out where possible and are subject to a charge of € 50.00 up to 30 days before the start of travel. Furthermore, the corresponding conditions and fees of the scheduled airlines also apply in the event of cancellation or rebooking. With a range of special tariffs, the ticket is issued and charged at the time of booking in order to guarantee the reservation and the corresponding price.

Conferences, delegations and group travel

In this case special booking, payment and cancellation conditions apply which are agreed with the respective service providers (hotels, airlines, subagents) on a project by project basis.

Travel contract conditions

We operate exclusively according to our travel conditions, compiled on the basis of the recommendations of the German Association of Travel Agents, which can be sent on request.

Your booking order is binding for us and is forwarded immediately. Please note that even in the event of a cancellation before a booking confirmation has been issued our cancellation fees apply in full. We recommend the completion of a **travel cancellation expenses insurance**. We are also happy to provide you with information on further insurance such as luggage, travel accident and travel health insurance. If rooms are not available as booked and confirmed due to measures or decisions taken by government bodies, we will undertake to provide our customers with the best possible alternative accommodation.

Our booking, payment and cancellation conditions remain valid even if the event is cancelled on political or economic grounds, due to natural or other catastrophes or other reasons, or participation is not recommended.

Liability

We operate on behalf of the travel participant in respect of all services solely as a broker for the individual service providers, hotels, carriers and airline companies, against whom all performance and compensation claims are to be asserted. In particular, we are not liable for damages incurred by persons and their property resulting from accidents, delays, losses and other irregularities. Participation in day trips is at one's own risk. We are not liable for adverse effects on the trip as a result of force majeure (e.g. war, disturbances, strike, epidemics) flight cancellations or rerouting. Eventual additional costs are carried by the travel participant. Eventual complaints are to be reported to the service provider immediately, together with the company MESSE-REISEN FALK GmbH.

Certificate of Insurance for travel costs:

In accordance with Section 651k of the German Civil Code (BGB), the tour operator is obliged to issue travellers with a Certificate of Insurance in order to safeguard customer finances. With package holidays, our customers receive a Certificate of Insurance together with the invoice.
